35th Annual Report 2018-2019

Annual General Meeting (November 20th, 2019)

President's Report

The Rotary Club of Adelaide Parks has certainly been busy in 2018-2019.

The club's actions and outcomes are found in the pages that follow, all achieved by a group of people that come together with a common sense of purpose to improve the lives of people in our community and in communities elsewhere in the world. There is no doubt that we enjoy our Rotary service and collectively we do so with energy and enthusiasm, and we have some fun along the way.

The club started 2018-2019 with the development of a plan of action around Rotary International's six goals and we added a further goal about strengthening our Rotary Club. We then got busy! Our 2018-2019 story is below. It is reported in a manner that focuses on our club's achievements and, as such, does not highlight contributions from individuals. However, I do wish to acknowledge and thank two most significant Rotarians for their thoughtful, energetic and committed activities throughout the year.

Kathy Cotter is amazing! Her continual efforts to organise us all with rosters, functions, BBQ's, speakers, schedules etc. whilst maintaining a calm and confident manner epitomizes the best of Rotary friendship and fellowship. Our sincere thanks Kathy.

Scott Mason, our secretary, public officer, BBQ supplies officer, and regular fix-it person has contributed significantly to the management of a multitude of club activities. Scott's commitment to the ideals of Rotary is consistently displayed and valued. Our sincere thanks Scott.

I wish to express my appreciation to all members for their contributions throughout the year. I am certainly pleased with what has been achieved. In summary, we forged a direction through collaboration and planning, we established a sense of alignment with Rotary's goals for the year and we were committed to achieving what we set out to do. I hope all of RCAP share a sense of satisfaction.

Jim Davies, President 2018-2019

ROTARY CLUB of ADELAIDE PARKS: 2018-2019

OUR MISSION: Rotary International Causes = Rotary Club of Adelaide Parks Causes

Rotary International (RI) in 2018-19 was dedicated to six areas of focus to build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever. RCAP aligned its activities with these six areas and added a seventh, an intention to strengthen itself as a club and build its capacity to serve the local community.

GOAL 1: Promoting peace

Rotary International encouraged conversations to foster understanding within and across cultures. It trained adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

RCAP ACTIONS & OUTCOMES:

- Funding support (\$850) for 'Cambodia Kids' via Craigmare High School students
- Volunteer support provided to Rotary District 'Donations in Kind' to send medical equipment to assist communities in need.

GOAL 2: Fighting disease

RI educated and equipped communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. It improved and expanded access to low-cost and free health care in developing areas.

RCAP ACTIONS & OUTCOMES:

GOAL 3: Providing clean water, sanitation, and hygiene

Rotary supported local solutions to bring clean water, sanitation, and hygiene to more people every day. RI didn't just build wells and walk away. It shared its expertise with community leaders and educators to make sure its projects succeeded long-term.

Keith at work at DIK

Hello, my name is Fatimah Akbari.

I came from Pakistan, and I am student at Thebarton Senior College, in the new arrivals program. I have been here from 24th of February 2018. I joined the Thebarton senior college Rotaract club recently, I have heard about RYLA and they told us about their journey to RYLA and told that before and after joining RYLA. they used to be very shy, less confident, they could not communicate and talk to people easily, after RYLA they changed, and it was a great opportunity for them to build up their skills and now they are not only great leaders but also great people and helping others. I am amazed by their information which they shared. Rotary Youth Leadership Award is interesting and a place where I can develop my skills and confidence. In Pakistan and Afghanistan, we had not such programs for students, they never taught us about communication skills, self-confidence and how to be a great leader in our life. I hope RYLA will give me the chance to attend and be good leader, improve my knowledge, information and confidence, because I want to help others and be a positive person in my life.

Meeting 1700 10th October 2018

This meeting was held at our usual venue, the Naval, Military and Airforce Club. This was a combined meeting with Adelaide South and Adelaide West Rotary clubs for a Group 1 meeting. 20 Adelaide Parks members were present together with Pam Congdon and Sonia Schahinger and Scott's grandson.

Presidents Robert Gunn from Adelaide South and Bryan Hennig from Adelaide West were present together with members of both these clubs. DG David Egan and his wife Rotarian Chris were welcomed to the meeting. Our special guests were former exchange student Brooke Avory and her American host parents from Wisconsin USA, Rotarian Dick Spencer and his wife Pat.

Another delivery to Magdalene Centre

This meeting (1709) was a worknight held at Lesley Sparkes' home in the city. Almost a full club turnout, together with numerous partners where we assembled 40 Christmas hampers for distribution by the Magdalene Centre.
