

38th Annual Report 2021-2022

Annual General Meeting – 9 November 2022

President's Report

Let me start by thanking all members of the club, their families and the friends of the club for their friendship, support and participation in all the Rotary Club Meetings, Activities and Projects (eg Bunnings BBQs) this year.

We started the year with International President Shekar Mehta's theme, 'Serve to Change Lives' and the company of DG Jeff Neal and his wife Jenny. They also visited our club in March at a combined Area 12 meeting. The District Governor requested that Clubs engage Rotary members and develop new projects no matter how small. I feel we have achieved this in full.

Our year was and continues to be affected by Covid - with several cancellations, including the first wine tour, the Christmas Pageant, and the carols which we were planning.

This year saw us re-introduce Service Committees to Club Assemblies and the introduction of Club By -laws and compliance with Rotary Risk Management procedures.

We started our year with Habib Shabbi, a refugee from Iraq and finished with Karen Gillard from Red Cross who spoke about their role in assisting, sadly, the now 100 million refugees in the world.

Our guest speakers included speakers on nuclear medicine, Seda College, power generation in South Australia, Calperun Station, and about opals and Coober Pedy. All the subjects were varied and very interesting.

We also enjoyed a couple of joint meetings with John Wotherspoon and members of Rotary Adelaide Light and combined meetings with the other clubs in our district all of which were great opportunities for fellowship.

I would like to thank Kathy Cotter for running our administration and congratulate her again on receiving her Paul Harris Fellowship in March, and for all her Club Administration and organization.

I know we all enjoyed the visit to the Space Centre at Lot 14 (organized by Lesley Grady and also known as the Keith trouser episode), Botanic High School, and our wine tour to McLaren Vale.

Fundraising has been varied and quite successful with Keith selling many Christmas Raffle Tickets over several Saturdays from October to December. We also had the European Soccer Sweep, Lucky Joker, wine sales, club raffles and quiz sessions.

Our largest fundraiser was again the Bunnings BBQ's. Thanks to Kathy Cotter and Scott Mason for their logistics assistance and to the club members, friends, volunteers, family members, Rotaractors and other Rotarians for their work.

Thanks to Natasha Pouw-Bray our Youth Programs continued with a student attending the National Youth Science Forum (NYSF) remotely in January. This worked out well as she contracted Covid at the same time. The club also supported one young adult to attend RYLA. Unfortunately RYPEN was cancelled due to Covid. We have made good contacts with Botanic High School with as already mentioned a visit to the school and teachers from the school visiting our Club. Thanks again to Natasha Pouw-Bray for this.

Thanks to Pamela Rajkowski and her team, our International Activities continued. Highlights included the ongoing support for the AGN Schools Scholarship program for the education of students in India and the newly introduced International Toast to other Rotary International Clubs.

Also, we donated to Ukraine refugees. I would like to make a special mention about David Tuzewski going to Europe with Disaster Aid Australia to support refugees. This was a good reminder of the role non- government agencies and Rotarians do to bring humanity and service to the world.

Our community programs were also quite busy with:

- Assistance at Polio Information Booth with raffle ticket sales
- Donations of goods, stationery, and Christmas Hampers to Magdalene Centre. My thanks to Anne, Pamela, Carol, and Lesley Sparks and others
- Support for Meals on Wheels, managed by Betty Fawcett and her team of volunteer drivers
- Sponsorship of 4 students through The Smith Family
- Sponsorship of Project Discovery Cycle ride
- Donation to Lismore flood appeal

I would like to thank Julie Perkins for her efforts this year keeping our accounts accurate, paying our bills, and making sure we are properly budgeted to cover all our expenses. I also want to thank Julie for our regular newsletters.

In summary, even with Covid our Club's income was over \$ 50,000, which included fund raising of over \$20,000. A similar amount of donations to our community, locally, statewide, nationally, and internationally was also made. Not to mention the many hours of free labour provided and 'In Kind' donations of time and materials donated.

Sergeant George Sinclair with a couple of assists from Gerald Welden ensured, as always, the very efficient running of our Club meetings. Also, a special thanks to George for his weekly reports.

Our membership remains unchanged for the year with the loss of only one member, despite the best efforts of Vice President Scott Mason and other members of the Club. I hope we will have some new members soon. I would also like to thank Scott for covering for me in my absence for the family wedding in May.

Thanks also to Bev Conway for her secretarial work and the big learning curve she has undertaken this year as she is new to the role. Also, for her timely Board Minutes.

I want to thank Keith Pearson, for his role until recently, as the Director responsible for Rotary Foundation and for Charles Shahinger for taking over this role when Keith retired.

I also want to thank David Wells for his help setting up the computer and screen for guest speakers each week and moving our web site forward and other PR and photographic work.

Lastly, I would like to thank again all the members of the club for your membership, attendance, and support of all our activities and fund raising.

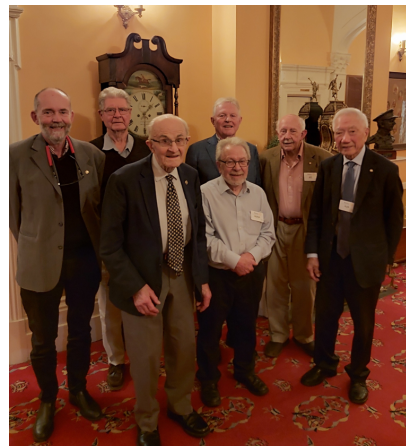

I wish the incoming President all the best. I am sure he will do better than the current one in the coming year.

CHARITIES, PROJECTS, AND FUNDRAISING - 2021-2022

OUR MISSION: Rotary International Causes = Rotary Club of Adelaide Parks Causes

Rotary International (RI) has seven dedicated areas of focus - to build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever. We have added an eighth - an intention to strengthen itself as a club and build its capacity to serve the local community.

GOAL 1: Promoting peace

Rotary encourages conversations to foster understanding within and across cultures. It trains adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

RCAP ACTIONS & OUTCOMES:

- Support for Ukraine refugees (\$1220, included member donations)
- On ground support for Ukraine refugees by club member
- Sponsorship of person to attend RYLA (\$950)

GOAL 2: Fighting disease

Rotary educates and equips communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing areas.

GOAL 3: Providing clean water, sanitation, and hygiene

RCAP ACTIONS & OUTCOMES

- Supported Disaster Aid Australia (\$1000)
- Supported RAWCS through flood support (\$1000)

RCAP ACTIONS & OUTCOMES:

- In kind support for Zonta projects, including assembly of Birthing Kits

GOAL 5: Supporting education

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.
